San Miguel 1889

With a population of approximately 1,500, San Miguel is a small town in Central California's Wine Country, adjacent to Highway 101. The jewel of the town is the famous Mission San Miguel Arcangel founded by Franciscan Father Fermin Lasuen in 1797. The "town" of San Miguel, likely began with the Rios-Caldeonia Adobe, which was constructed in 1835. By 1871, a stagecoach ran daily from San Miguel to San Luis Obispo, and in 1886, Southern Pacific Railroad reached San Miguel. Shortly thereafter, the town was leveled by a disastrous fire, and the new town was rebuilt north of the Mission.

Locale

San Miguel is positioned 10-miles north of the mid-point between Los Angeles and San Francisco. The Ranch is a short 15 minute drive from the Paso Robles Municipal Airport which offers Fuel & Line Services, Aircraft Maintenance, Air Charter, Hot Air Balloons, Restaurant and Ground Transportation. The airport also has a Jet Center and private hangars available for general aviation. Just 42 miles from the Ranch is San Luis Obispo County's Regional Airport, with commercial service daily to Los Angeles and San Francisco connecting to International flights. The San Luis Obispo Airport offers convenient access to and from the Central Coast. Residents and visitors have the choice of two commercial airlines with flights to Los Angeles, Phoenix, and San Francisco. The airport is also home to full service general aviation and corporate facilities.
